ABOUT US

Introduction

Established in 2019 (2076 BS), Veteran New Business Enterprises Pvt. Ltd., based in Kathmandu, Nepal, is a dynamic service-sector company committed to excellence. We specialize in:

- Import and distribution of goods
- Transportation from international borders to project sites
- Security management for construction projects
- Professional counseling services

With a client-centric approach, we deliver timely, secure, and customized solutions tailored to the needs of businesses, construction projects, and organizations across Nepal.

Our leadership team includes seasoned military veterans and entrepreneurs with practical expertise in logistics, infrastructure support, project management, and security operations. Their disciplined execution is strengthened by strategic guidance from subject matter experts, ensuring forward-thinking and effective leadership

OUR GUIDING PRINCIPLES

MISSION & VISION

MISSION

Our mission is to deliver reliable, efficient, and client-focused services in import, liaison, transportation, infrastructure support, security, and counseling driving project progress with precision and integrity.

VISION

To be Nepal's most trusted service provider, delivering innovative and secure solutions that empower infrastructure development.

SOLUTIONS FOR NEPAL'S GROWTH

STRATEGIC ALLIANCES

OUR PARTNER

BEEZAASAN[®]

BEEZAASAN EXPLOTECH LTD

A GLOBAL LEADER IN THE EXPLOSIVE
PRODUCTION INDUSTRY

Beezaasan Explotech Ltd. is an Indian company specializing in the manufacturing of industrial explosives and accessories for sectors like mining, construction, and infrastructure. Founded in 1976, it offers products such as slurry explosives, detonating fuses, and cast boosters. The company is known for its strong R&D, safety standards, and recent expansion into detonator production and hydropower project supply.

Veteran New Business Pvt Ltd is a trusted and authorized dealer of Beezaasan Explotech Ltd in Nepal, proudly representing the company through a strong and strategic partnership built on reliability, innovation, and shared commitment to excellence.

STRATEGIC ALLIANCES

OUR PARTNER

GAGAN SECURITY P.LTD

A GLOBAL LEADER IN
COMPLETE SECURITY SOLUTIONS

This partnership strengthens VNB's commitment to specialized security management. While VNB provides the strategic planning, veteran leadership, and government liaison for high-value infrastructure like hydropower and construction sites, Gagan Securities contributes reliable, professional deployment of security personnel and on-site expertise. The VNB Advantage: Through this alliance, VNB will do all to deliver an integrated security solution that merges military-grade strategy with professional personnel management, safeguarding your assets and operations 24/7.
